CENTUM
CIEN AÑOS DE LA UNIVERSIDAD DE MURCIA
1915 | 2015

“Journeying through the Centuries”. The University of Murcia is celebrating its centenary this year (CENTUM). For this reason, a series of events has been programmed to celebrate our first 100 years as well as to disseminate our history and to establish new challenges for improvement.

Internationalization is one of our top priorities and with this in mind we have chosen as our slogan “Viaje Centenario” (*“Journeying through the Centuries”*) to mark this occasion. The events programmed will coincide with the International CENTUM Week and on May 13 and 14 we will be welcoming our numerous collaborating institutions, businesses and bodies.
