

## BRILLIANT DISGUISE

(Bruce Springsteen)

I hold you in my arms as the band plays  
What are those words whispered baby just as you turn away  
I saw you last night out on the edge of town  
I wanna read your mind and know just what I've got in this new thing I've found  
So tell me what I see when I look in your eyes  
Is that you baby or just a brilliant disguise

I heard somebody call your name from underneath our willow  
I saw something tucked in shame underneath your pillow  
Well I've tried so hard baby but I just cant see  
What a woman like you is doing with me  
So tell me what I see when I look in your eyes  
Is that you baby or just a brilliant disguise

Now look at me baby struggling to do everything right  
And then it all falls apart when out go the lights  
I'm just a lonely pilgrim I walk this world in wealth  
I want to know if its you I don't trust cause I damn sure don't trust  
Myself

Now you play the loving woman Ill play the faithful man  
But just don't look too close into the palm of my hand  
We stood at the alter the gypsy swore our future was right  
But come the wee wee hours maybe baby the gypsy lied  
So when you look at me you better look hard and look twice  
Is that me baby or just a brilliant disguise

Tonight our bed is cold  
I'm lost in the darkness of our love  
God have mercy on the man  
Who doubts what he's sure of
