PERSONAL DATA PROTECTION LAW

The formalization of the registration/pre-registration implies that your personal data will be collected and treated for academic purposes related to the development of the master/degree at the University of Murcia. The data will be stored indefinitely for reasons of accreditation of validity of the title. At all times you will have the right to request the University of Murcia access, rectification, cancellation of your data or limitation in the processing or portability of your data. The exercise of these rights will be subject to legal provisions regarding universities. Applications for the exercise of rights may be exercised in the Electronic Register of the University of Murcia or by application in the General Register of the University of Murcia addressed to the General Secretariat. Your data may be transferred in cases provided by law, in particular for cases of university degree issuance and treatments for statistical purposes, always in accordance with the principle of data minimization. To obtain more information regarding the processing of your personal data, you can contact the following e-mail address: protecciondedatos@um.es
